

Handbook of Administrative Ethics,

Filesize: 2.69 MB

Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

(Dr. Lukas Hills DDS)

HANDBOOK OF ADMINISTRATIVE ETHICS,

Marcel Dekker, New York, NY, 1994. Hard Cover/Excellent. Book Condition: Used. 1st Edition (USA)/Hardcover. A Very Good Used Copy. Perhaps the best collection of essays ever compiled on ethics and public service. One essay has faint underlining and, the cover has a small chip on a bottom corner. The book is a remarkably comprehensive review of administrative ethics in the public sector and traces the emergence of ethical norms from the 19th century forward until contemporary political and administrative challenges are encountered in more complex government-citizen relationships. An exceptional opportunity for the practitioner facing management ethics.
