CD-Audio. Book Condition: New. Not Signed; Description: The hit BBC series is back! Big Finish bring immortal Time Agent Captain Jack Harkness back to life in a series of six new audio dramas. What's made billionaire Neil Redmond emerge from his long seclusion? Captain Jack knows the answer, and is prepared to go to any lengths to prove it. A couple of years ago, Neil Redmond was in a terrible accident. His recovery has been long and slow, but now he's back and looking better than ever. Much better than ever. Dark forces have been behind Neil's transformation. Dark forces that Jack has been hunting for a long time. But Captain Jack's never been able to resist the darkness. The huge, and long-running public interest in new Torchwood adventures resulted in a server melt-down when this release was announced by star John Barrowman on his Sunday night radio slot. The popularity of these releases meant that a second series was greenlit only shortly after it began. John Barrowman reprises the character who starred in four years of hit Doctor Who spin-off Torchwood, screened around the world. Torchwood has seen a number of notable guest stars in its TV run, including British legend Richard Briers, as well as the 12th Doctor Who, Peter Capaldi in the chilling miniseries Torchwood - Children of Earth. Torchwood contains adult material and may not be suitable for younger listeners. CAST: John Barrowman (Captain Jack Harkness), Steven Cree (Neil Redmond), Emma Reeves (Miss Trent). book.
