O. , Congressional Sales Office, 2002. OCLC Number: (OCoLC)53180167 Subject: Water -- Purification -- California -- San Diego Creek Watershed (Orange County). Excerpt: . . . 11 Reclamation has had some preliminary discussions with the Irvine Ranch Water District about proposed surface water treatment, groundwater treatment, and brine disposal components of their project. However, H. R. 1598 authorizes the design and construction of the project before Reclamation or the project sponsors have completed a feasibility study that meets the legal requirements of Title XVI. Reclamation requires that feasibility studies be completed first to determine whether these particular projects warrant Federal construction authorization. Therefore, the Department believes the legislation to be premature and cannot support H. R. 1598 at this time. The Department also believes that this legislation would likely place an additional burden on Reclamations already tight budget. With the tremendous backlog of existing Title XVI projects, we do not support the addition of new projects at this time. Thank you for the opportunity...
