Brand New Book ***** Print on Demand *****.ABOUT THE BOOK Mike Amerson, Co-Founder and President of WET Productions, Inc., learned the hard lesson that many developers face today: just because you built it, doesn't mean they will come. His game My Virtual Girlfriend went nine months with only modest sales until late in December of 2010, when he gathered what he'd learned about app discoverability and used it to propel the game to the Top 100 list for its category.
